A message from Fr. Radomir ...

Christ is in our midst!

What you're about to read is going to make you uncomfortable.
You're going to say: that's not the right place/topic/vibe for this publication.
Someone who's reading over your shoulder will say: "Father should know better..."

But I'm still going to write it.

Because someone standing just over *my* shoulder is saying: "If you don't make them uncomfortable, you're not doing your job." And not fulfilling my spiritual obligations by you is my nightmare. Because there's a special place reserved for priests who don't talk about this – and it's not Heaven.

So here goes.

I heard this great story recently.

There were two brothers – sons of an Orthodox priest. In their adult years, the younger one fell away from the Church, the older one stayed faithful. He kept praying, attending services, relieving his soul of sins in confession, uniting with God Himself in Holy Communion... The one thing that grieved him was that his younger brother seemed to have forgotten about God. So, he kept encouraging him to come back to church. Sometimes gently, sometimes – annoyingly. But his brother always gave him the same answer: "I've got time."

Then one day soon, there was a call for help at the fire station where the older brother worked. Fire consumed a house in their town. And when he saw the address, the older brother knew *who* was in trouble.

When they got him out of the burning building, the younger brother had sustained too many injuries and died.

That night, as the grieving older brother fell asleep, he dreamed a strange dream. His younger brother stood before him – alive – and said just one thing: "I ran out of time..."

If you haven't stopped reading yet, thanks. I'm glad you're still here. Because I'm not done yet.

We recently lost our oldest parishioner, John Monchil. Stop and think about what you loved about him. Remember what it was like to be in his presence. Remember what he liked to talk about. Remember his voice.

John was a person who was *ready*. He was one of the strongest men I've ever met. Even when – in his 90s – he became frail and needed help getting around, he *exuded strength*. Not so much in his body, but very much – in his mind and soul.

He wasn't afraid of the future. Because he was **prepared**. He knew he was running out of time, and he prepared – long before his quiet and peaceful transfer to eternal life - at a venerable age of 98.

I'm not saying all of this to frighten you. I'm saying this, so that you may live a full and blameless life – just like our John. And the way he did that was by trusting the Church. Having Jesus Christ as his source of strength. Drawing on that strength to live a long and full life. He didn't have to shut his eyes to what was coming. He did what a marine does: took full responsibility for his life, his shortcomings, his fears, and attacked them – head on, with Christ at his side.

That's why you have tears in your eyes when you think of John. Because he is an example of a true Orthodox Christian. He is someone who knew that admitting of your failings to Christ does not make you weak. It makes you powerful. It gives you power to defeat and overcome your hidden enemy.

And that's what I hope you will do, too.

Christianity is not for the weak, the lazy, or the fainthearted. If you were any of these things, I'd write a nice comforting letter, telling you that God is permissive instead of loving... I'd write that you should come to Church to seek selfish comfort instead of to *labor* at your own salvation. I'd tell you that as long as you mumble Jesus's name once a year, you're good with God, that it's all God ever wants or expects from you.

Even if I wanted to tell you these lies, John's memory wouldn't let me. And I hope it won't let you believe these lies, either.

So be like John. Remember that life is not about comfort or prosperity or feeling complacent. Life is preparation for something greater: a battle from which only the strong come out victorious. Just as John did.

So do what John said (I'll paraphrase): read the Bible, go to Church, make Jesus Christ the center of your life, avail yourself of the grace you can receive through the sacraments, and you will always be prepared.

He didn't do these spiritual exercises once a year. No. As any marine, athlete, musician, writer, sheriff, teacher (and even a priest!) knows, anything worthwhile requires *self-discipline* and regularity. Going to the gym once a year won't make you successful at getting fit. Reviewing your spiritual life once a year is better than nothing, but it won't help you progress.

Remember John. And apply his advice – regularly. And, just as he said, it's very likely that you will have less problems in your life. But even if you don't, you will be *prepared*. For anything – through the grace of Jesus Christ our Lord. Amen.

In Christ
Fr. Radomir Plavsic

Христос је међу нама!

Биће вам непријатно Оно што ћете прочитати.

Рећи ћете: то није право место/тема за ову публикацију.

Неко ко вам чита преко рамена рећи ће: „Отац требао да зна боље...”

Али ипак ћу то написати.

Зато што ми неко стоји преко рамена и каже: „Ако им не ствараш нелагоду, не радиш свој посао”. А неиспуњавање мојих духовних обавеза од вас је моја ноћна мора. Јер постоји посебно место резервисано за свештенике који о томе не говоре – а то није Царство Небеско.

Па, идемо.

Недавно сам чуо ову сјајну причу.

Била су два брата – синови православног свештеника. У зрелим годинама, млађи је отпао од Цркве, старији је остао веран. Непрестано се молио, присуствовао богослужењима, ослобађао своју душу од грехова на исповести, сједињавао се са самим Богом у Светом Причешћу... Жалило га је само то што је његов млађи брат заборавио на Бога. Зато га је стално подстицао да се врати у цркву. Понекад нежно, понекад – досадно. Али брат му је увек давао исти одговор: „Имам времена.

Онда је једног дана убрзо, уследио је позив у помоћ у ватрогасној станици у којој је радио старији брат. Ватра је захватила кућу у њиховом граду. А када је видео адресу, старији брат је знао ко је у невољи.

Када су га извели из запаљене зграде, млађи брат је задобио превише повреда и преминуо.

Те ноћи, док је ожалошћени старији брат заспао, уснио је чудан сан. Његов млађи брат је стао пред њега – жив – и рекао само једну ствар: „Нестало ми је времена...”

Ако још нисте престали да читате, хвала. Драго ми је да си још увек овде. Јер још нисам завршио.

Недавно смо изгубили нашег најстаријег парохијана Џона Мончила, тј Јована Момчиловића. Станите и размислите о томе шта сте волели код њега. Сетите се како је било бити у његовом присуству. Сетите се о чему је волео да прича. Сетите се његовог гласа.

Јован је био особа која је била спремна. Био је један од најјачих људи које сам икада срео. Чак и када је – у својим 90-им годинама – постао слаб и потребна му је била помоћ да се снађе, *одисао* је снагом. Не толико у свом телу, колико много – у његовом уму и души.

Није се плашио будућности. Зато што је био **спреман**. Знао је да му понестаје времена и припремио се – много пре свог тихог и мирног преласка у вечни живот – у часној 98. години.

Не говорим све ово да бих вас уплашио. Ово говорим да бисте живели пуним и беспрекорним животом – као наш Јован. А начин на који је то учинио било је поверење у Цркву. Имајући Исуса Христа као извор снаге. Ослањајући се на ту снагу да живи дуг и пун живот. Није морао да затвара очи пред оним што долази. Урадио је оно што маринач ради: преузео је пуну одговорност за свој живот, своје недостатке, своје страхове и напао их – директно, са Христом на његовој страни.

Зато вам навиру сузе када помислите на Јован. Јер он је пример правог православног хришћанина. Он је неко ко је знао да признавање својих пропуста Христу не чини те slabим. То те чини моћним. Даје вам моћ да победите и победите свог скривеног непријатеља.

И то је оно што се надам да ћете и ви учинити.

Хришћанство није за слабе, лење или малодушне. Да сте били нешто од ових ствари, написао бих лепо утешно писмо, говорећи вам да је Бог попустљив уместо да воли... Написао бих да треба да дођете у Цркву да тражите себичну утеху уместо да се трудите на сопственом спасењу. Рекао бих вам да све док једном годишње промрљате Исусово име, добро сте с Богом, да је то све што Бог икада жели или очекује од вас.

Чак и да сам хтео да вам кажем ове лажи, Јованово памћење не би ми дозволило. И надам се да вам неће дозволити да верујете у ове лажи.

Зато буди као Јован. Запамтите да живот није у удобности или просперитету или осећају самозадовољства. Живот је припрема за нешто веће: битку из које само јаки излазе као победници. Баш као што је то урадио Јован.

Зато урадите оно што је Јован рекао (парафразирају): читајте Библију, идите у цркву, учините Исуса Христа центром свог живота, искористите милост коју можете примити кроз Светих Тајни и увек ћете бити спремни.

Ове духовне вежбе није радио једном годишње. Не. Као што сваки маринач, спортиста, музичар, писац, шериф, учитељ (па чак и свештеник!) зна, све што је вредно захтева самодисциплину и редовност. Ако идете у теретану једном годишње, нећете успети да будете у форми. Прегледање свог духовног живота једном годишње је боље него ништа, али вам неће помоћи да напредујете.

Сетите се Јована. И примените његов савет - редовно. И, баш као што је рекао, врло је вероватно да ћете имати мање проблема у животу. Али чак и ако то не учините, бићете спремни. За било шта – милошћу Исуса Христа Господа нашег. Амин.

У Христу
Свештеник Радомир Плавшић

FROM THE DESK OF THE PRESIDENT ...

Greetings fellow brothers and sisters in Christ,

The year is coming to a close as we are already in the month of November. Soon we will be bringing in the new year of 2024. However, this is a time to reflect on some of the activities and success we have made throughout the year. The summer months always seem to fly by as everyone is so busy. We celebrated our 117th Slava in May. I can't believe we have already been in our new facility for 17 Years! Thank you to all who attended to make this another successful celebration.

A few weeks later, we celebrated our Annual Serbfest. The crowd seemed to be more consistent throughout the two days which made things a little easier, especially for the grillers who had to manage how much meat to have grilling at any time. We had so many that volunteered both days which spread the workload out. The weather was great which helped to make this another successful event as well. We contributed to #GIVEME20 which is an organization that works for suicide prevention. We have been donating to a worthy cause with funds that we raise from the Serbfest for many years. We also want to thank those individuals who also gave additional donations for that organization as well.

You know what came next, Our Annual Bowling Tournament! This year was one of the largest we've ever had. Everyone had a great time and enjoyed the after party down at the cultural center with a posno meal (as we were in lent) and of course the liquid libations! A huge thank you goes to Mike and Michelle Kimbell for all of the underwriting they do to make this event not only fun, but a money-maker for our church. Puno Hvala! EOYC Camp, the Ethnic Enrichment Festival, the Choir's Annual Fall Concert and the Kolo's Slava Celebration are just a few other activities that we were involved in which I am sure will be discussed more throughout this Glasnik.

In addition to all of this, there was a great deal of activity going on around the church as well. We had sidewalks and curbs replaced, windows on the church replaced and a complete repaving of our parking lot. This has been in the works for over a year, and we finally got the work completed. The last and most costly repair is going to be the work on the church domes/roof areas. As everyone is well aware, we have been trying to get this repair made for over eight years. We took a different approach this year with the help of Andy and Andrew Gribble providing their expertise as well as finding the contractors with the knowledge to take on this project. We have just signed an agreement and hope to have the work completed before the end of the year. If you are able to donate to the maintenance fund, we ask that you do as this project alone is going to cost almost \$150,000. Our total expenses for all of this work is going to be around \$250,000. The last item we have planned is for the complete painting of the outside of our buildings. Hopefully, this will take place in the spring of 2024 which should be the last big maintenance item for a few years. (God Willing)

The last thing I want to mention is that St. George lost a couple of long-time members of our church. The late Gene Zuzich and John Monchil. (May God have mercy on their souls) Although Gene was living in Florida for many years, he always kept St. George in his heart and contributed very generously over the years. Johnny Monchil, as I called him, was a legend. He gave his time, talents and treasures to our church unlike anyone else I've known. He was there any time you needed him, whether it was to work or for financial support. He was one of the building committee members that helped see our church complex completed. He was so proud of his Serbian heritage and our church. Condolences to his family and may we all follow his example of how to be a great Serbian Orthodox Christian.

In Christ,
Peter Bajich, Church President

Major projects completed since May 2023!

Parking Lot: The entire parking lot was completely repaved in August. This included replacement of curb areas that had cracked/deteriorated.

Church Front Slab: The front slab at the church had become cracked and crumbling in certain areas. This required a complete replacement that occurred in May.

**Donations to our Church can be made on our website:
www.st-george-church.org, given at Church, or mailed to our address:

KOLO SRPSKIH SESTARA “SV. PETKA” ...

Happy Fall! The Kolo has been keeping quite busy as normal. Pascha was celebrated with the ladies providing delicious snacks and beautiful eggs for the weekend. Next was our Kolo outing to Indian Hills Country Club, thank you to Mike and Michelle Kimbell for hosting. Fun was had by all and many old and new memories were shared and made. In May we had our St. George’s Day Celebration with our very own Honored Kuma, Mary Jean Venema. Thank you to all who brought the delicious cookies and various desserts. Thank you also for making enough to sell at our Serb Fest in June. The different kinds of cookies were greatly enjoyed at both events. During

the summer months we started preparations for the Ethnic Festival and the Bazaar. Thank you again to all who made cookies for the Ethnic Festival. Everyone really enjoys our homemade desserts out at the festival.

Throughout the year, the ladies are always providing delicious Sunday coffee hours. Thank you to Donna Bajich for organizing. Our parish really enjoys having a little something to share with one another on Sundays.

Our Kolo Slava Celebration was held in October with Evica Jackson as our Honored Kuma. Evica’s hard work and dedication is greatly appreciated and a great example for all to follow. Thank you to all for making this day wonderful.

Now we are in November and in total “Bazaar Mode!” This festival requires a lot of help from not just our ladies, but our whole community. This is the time when we get the opportunity to share our ethnicity and religion with many people near and far. Please consider donating some time to be a part of this event. There are multiple ways to become involved; making cookies, setting up, preparing food, working in the booths or kitchen, cleaning up, advertising, etc. Please email or call me if you would like to help or if you have any questions. I would love to have as many as we can to make this festival the best ever! If you are not a member of the Kolo and are interested, please give me a call or email, or we can chat on Sundays!

The Kolo Board for 2023 is the following:

President Shauna Bajich	Vice President Michelle Kimbell
Treasurer Donna Lemley	Secretary Jelena Ozegovic
Members at Large Dayna Meyers and LeAnn Hinkle	

I look forward to finishing this year strong! Thank you for your support!
Shauna Bajich, Kolo President, 913-634-1921, shaunabajich@att.net

ST. GEORGE CHOIR ...

Greetings from your church choir! The Annual Ethnic Enrichment Festival was held at Swope Park in KCMO August 18-20. This year was one of the hottest in a long time! Even with the heat, our church choir and volunteers from the parish represented our Serbia booth wonderfully! Special thank you to all who helped and made desserts that were sold at the park. Also, thank you to our Folklore dancers for adding to our program on Saturday by showcasing our talented youth for the community to see! All profits from this

event and all events sponsored by the choir go to help us travel to other communities for choir concerts and festivals representing our parish. This is just one of the benefits of being in choir. The ultimate benefit is providing responses to Liturgy in our church which we hope everyone appreciates the time the choir puts into practicing and preparing for this ministry.

Also in August, members of the choir were fortunate to visit and sing for our oldest choir member, past director and oldest parishioner, John Monchil. He along with a few other residents of Providence Place enjoyed hearing our choir sing some of Johnny's favorite songs! He truly appreciated the choir coming to see him, but not as much as we enjoyed seeing him! This also was the last time many of us were able to be with him as he passed away on September 26th. May His memory be eternal! Our Fall Concert was held September 23 and 24 with honored guests the S.S.S. St. Nikolai of Zica from Lake Forest, IL and participating the S.S.S. St. Nicholas of Omaha, NE. The weekend was very nice and our out of town guests left our parish with great memories of our KC hospitality. However, we would have liked to have seen more individuals from our parish at our Saturday concert. Please we ask that you mark our concert weekend in the future and help support your church choir!

Thank you, Brad Hijaz, Choir President

CHURCH SCHOOL ...

Starting August 27th, we have been blessed to have had church school classes with an average number of 20 students every week. A special appreciation goes to our teachers, Mira Cubric, Stephanie Mattivi, Leah Lemley and Aleksa Skavo, who continue to dedicate their own time planning lessons and organizing various activities for our children.

Prior to the start of our new school year, our youth were very busy as we were able to enjoy a KC Royals baseball game with over 90 children, parents and grandparents attending! We also had a group of our young men participate in the SNF Basketball tournament held in Milwaukee, WI.

Additionally, we would like to thank our Kolo for graciously supporting our 24 students and 11 counselors who attended our EOYC camp this summer. A great time was had by all in learning more about our Orthodox religion and spending time with other Orthodox youth & clergy in the KC area. A special thanks of appreciation goes to our own Marija Bajich who was the Co-Camp Director. Please visit the EOYC website (myeoyc.com) to view the video of all the activities enjoyed at camp.

During September, several alumni, who attend Kansas State University got together for a bowling outing followed by lunch! This is a great way for them to stay close to their Serbian Orthodox family.

Our annual Fall Festival, graciously hosted by the Gribble Family, will be held on Saturday, November 4th. I'm sure another great time will be enjoyed by everyone.

Upcoming events include the decoration of the badnjak, Christmas carols, and our annual Sveti Sava celebration on January 28th, 2024.

We will continue to have church school every Sunday, so I would encourage all parents to bring their children to take advantage of this great opportunity that our church provides in learning about our Orthodox values and teachings. For those of you who would still like to

register your child(ren), please let me know. Reminder, attendance and participation in church school will assist in reducing your student’s registration fee for attending EOYC camp.

On a very sad note, we will definitely miss the Skubey Family (Slava, Ana, Sofia, Natalia and baby Victoria) as they relocated to Florida. Good luck to them in this new journey!

Paul Bajich
Church School Superintendent

EOYC ...

EOYC planning for 2024 is already underway. Per the change in the bylaws, the board elects the new camp director each year and for the upcoming 2024 year, Marija Bajich was elected to be the EOYC camp director. Camp has been scheduled for the week of July 28th to August 3rd. Keep an eye out in your emails for continued camp updates.

We are looking forward to seeing everyone together and urge you to send your kids as campers and/or consider being a counselor. If you are interested in being involved or have any questions please contact Marija Bajich at serbgirl.mb@gmail.com.

SerbFest 2023 recap ...

Thank you to everyone who worked for this year’s Serb Fest. It was our most successful one to date. With that in mind, please remember our next Serb Fest will be on May 31 and June 1, 2024. Be sure to mark your calendars and plan to provide

your help again. We moved to this location in 2006, seventeen years ago! In that amount of time things happen and maintenance and repairs are necessary. The parking lot resurfacing was one of those much-needed items. Our roof repair is the next very large expense that we will face. Since Serb Fest is our only Church public fund raiser, let’s make sure it is successful.

June will be here before we know it!
Mark Milosovich
Serb Fest Chairman

FINANCIAL REPORT ...

As we near the close of our fiscal year for 2023, which ends on October 31st, below are several updates of the church financials since our previous Glasnik article in April of this year:

- Weekly parishioner's offerings have decreased approximately 12% from the prior year. Please continue to make your donations, which assist us in paying our normal operating expenses. As everyone is aware, the cost of utilities and most services continue to rise.
- We held our annual Serbfest the weekend of June 2nd and 3rd. Thanks to everyone's hard work, the church had a net income of over \$20,000!
- As one of our projects presented at our annual meeting, the repair of our parking lot was completed over the summer and looks great. The project cost was approximately \$75,000.
- Also presented at the annual meeting, we have a contract to repair the church roof with an anticipated cost that will be close to \$120,000.

If you have any questions regarding our financials or the projects we are addressing, please contact a member of the church board. Everyone is encouraged to share their time, talents and treasures. Together we will continue to build a strong St. George Serbian Orthodox Community.

MAINTENANCE FUNDRAISER / BIRTHDAY CELEBRATION ...

On Sunday, October 15, Seja Bajich-Bock sponsored a luncheon as part of her birthday celebration to raise funds for the ongoing maintenance (think parking lot, church roof, etc.) taking place on our Church property. Seja shared it was a great way to have family and friends together enjoying a great meal and one another's company and helping the Church at the same time. Dayna and Jack Meyers added to the celebration with a "specialty tody" to warm our hearts and bodies. With the generosity of all those present, we raised over \$3,200. Thank you to all and Happy Birthday, Seja!

ETHNIC FESTIVAL AND BAZAAR NEWS ...

As many of you know, our Choir sponsors a booth at the Ethnic Festival in Kansas City, Missouri every August. It is our Choir's major fundraiser, and the proceeds allow us to travel and interact with other Serbian Orthodox Choir members and parishioners around the United States and Canada! Thank you to everyone who worked a shift, baked or donated to this event. We truly appreciate your support!

And as always around this time of year, preparations begin for the Kolo Bazaar which is held every year on the Saturday before Thanksgiving. Like the Choir, our Kolo relies on the proceeds from this event in order to meet some of the financial needs of our Church and hall as well as the Parish home. Whether it's baking for the cookie booth or working a shift in the kitchen, it can't be done without everyone's help and there are plenty of opportunities and ways to contribute. Church congregations everywhere, and especially here at St. George, rely on the time, talents and treasures of their members so please remember - volunteer! Or when called upon, always say "YES"!

Yours in Christ, Lisa Gribble
Commissioner for Serbia, KC Mayor's Ethnic Enrichment Commission
Kolo Bazaar Chairperson

ST. GEORGE FOLKLORE ...

Welcome everyone to a new season of folklore classes! If your kids are not already participating, it's never too late to start!

For our younger kids (age 5-12), we'll be meeting on Thursdays at 6:30pm. When possible, we'll also have practice on Sundays after Church School. Our focus with this group will be teaching kolo dances that are played during zabave so the kids can join in the

fun. These sessions are approximately 30min

For the older group (age 10+), we'll be meeting on Thursdays at 7pm. This group's focus is to work on performance kolo dances that we can take to various events throughout the year. These practice sessions are approximately one hour. The current schedule of performances is as follows:

- Jan: Sv Sava
- Mar: Phoenix or Los Angeles Folkfest/Kolofest
- May: Đurđevdan (church Slava)
- Jun: KC Serbfest

We may also perform at various other celebrations in the area (ie Slavias for Omaha, Des Moines, etc)

The deadline for joining the older group is Nov 30 as we need to order nošnje in time for next year's performances. If you're interested in helping the group pay for nošnje, please see Peca Stančić and Paul Milošević.

**Mark your calendars:
Nativity Fast 2023 begins
November 28th to January
6th. Christmas Day is
Sunday, January 7, 2024**
